Sir:

The Examiner in charge of the above-identified application telephoned applicant's representatives on April 28, 2008 to communicate an Election of Species Requirement among Species I, claim 1 drawn to Figure 1; Species II, drawn to Figure 2; and Species III, claim 4, drawn to Figures 4-5.

In response to that election of species requirement, applicant's undersigned attorney left a voicemail telephone message with the Examiner on May 7, 2008 making a provisional election for initial examination of Species I, Figure 1, upon which claims 1, 2 and 3 are readable. No presently pending claim is generic to all indicated Species. Applicant's undersigned representative hereby confirms that this provisional election was specifically made with traverse, since no adequate basis therefor has yet been stated in the record.

Respectfully submitted,
